M Shadows of **Avenged Sevenfold** said, "**Rock On The Range** is the undisputed champion of American rock festivals. The team over there has done an incredible job of curating a potent mix of all the types of rock 'n roll that any fan could ask for. It's an honor to play at the top of the bill, and we cannot wait to see everyone in May."

"We are looking forward to returning to **Rock On The Range** as a headliner this year and rocking out with all of you. Bring It!" **Jerry Cantrell, Alice In Chains**.

“Following last year’s amazing festival we knew we had to deliver. We have one of the only shows from **Tool** in 2018, a band the Rangers have been wanting for years and also having **A Perfect Circle** on the same festival is something special. Adding **Avenged Sevenfold, Alice In Chains, Godsmack** and the special returns of **Stone Sour** and **Stone Temple Pilots** only builds on that excitement. We can’t wait for May,” says Gary Spivack, **Executive Producer** for **Rock On The Range**.
